

SPORTS  TURF  
CANADA

Fuel your passion for sports turf quality  
and excellence

**JOIN SPORTS TURF CANADA**

**Where you sharpen  
your professional  
skills**

Sports Turf Canada is a Canadian association dedicated to the promotion of better, safer sports turf through innovation, education and professional programs. We've been doing turf since 1987. Our members are exposed to new ways of doing things, have opportunities to participate in education on essential topics, network with peers and share ideas and exchange solutions, and benefit from the discounts of membership for both products and services.

**RESEARCH:**

Providing research support and understanding

**ADVOCACY:**

With the influence of a group of people, we can change industry practices

**CONNECTION**

Meet others in the industry facing similar challenges as yourself

**SKILL DEVELOPMENT:**

Through courses and events, grow your skills to increase the quality of sports fields.

**"As someone fairly new to turf, I have found this very informative and helpful"**  
-Mitchell F.

**"I have learned a lot about the maintenance of natural grass sports fields with Sports Turf Canada"** - Michael G.

For those in British Columbia and Alberta, Sports Turf Canada has a partnership agreement with The Western Canada Turf-grass Association (WCTA) whereas membership includes benefits from both organizations. As part of that agreement the WCTA acts as the conduit for both memberships therefore going forward, you will receive membership information from WCTA also, along with any future membership billings. This partnership allows us to extend substantial savings to our joint members.

There is a rate dependent on whether you are an existing WCTA member or are new to both WCTA and STC. Existing WCTA members rate \$110. New member rate \$380 (includes STC and WCTA membership)

If you have any questions/inquiries you can contact STC at: 519-763-9431 or email [info@sportsturfcanada.com](mailto:info@sportsturfcanada.com)

You can also contact the WCTA at: 604-869-9282 | email [exec.director@wctaturf.com](mailto:exec.director@wctaturf.com)

## WHY JOIN?

### EDUCATION

Sports turf maintenance & management best practices courses and books at discounted prices

### NETWORKING

Connecting with experts, other professionals & organizations

### RESOURCES

Information on best practices, innovations and industry news so you don't have to figure it out yourself.

### CREDIBILITY

Membership in your industry Association brings a perspective of integrity and credibility

### JOBS

We connect members to other members, creating opportunities for future job possibilities

## OPPORTUNITIES

### SPORTS TURF MANAGEMENT & MAINTENANCE COURSE

Introduction to the latest principles and techniques of managing and maintaining natural sports turf.

### SYNTHETIC SPORTS TURF SAFETY & MAINTENANCE COURSE

The unique requirements of maintaining synthetic sports turf.
